

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF LOUISVILLE)	CASE NO. 90-158-CC
GAS AND ELECTRIC COMPANY)	

O R D E R

On December 21, 1990, in Case No. 90-158 the Commission approved certain adjusted rates for Louisville Gas and Electric Company ("LG&E") and provided for their further adjustment on a quarterly basis in accordance with its gas supply clause ("GSC").

On December 31, 1997, LG&E filed its GSC to be effective from February 1, 1998 through April 30, 1998.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. LG&E's notice proposed revised rates designed to pass on expected decreased wholesale gas costs to its customers. LG&E's proposed expected gas supply cost is 33.174 cents per 100 cubic feet, or \$3.3174 per Mcf.
2. LG&E has no current supplier refunds to return to its customers. The total refund factor for sales customers of 0 cents per Mcf reflects no remaining previous quarter adjustment.

3. LG&E's notice set out a current quarter actual adjustment of 4.99 cents per Mcf to collect under-recovered gas cost from August, September, and October 1997. The proposed total actual adjustment of 38.08 cents per Mcf reflects the current under-recovery as well as under- and over-collections from three previous quarters.

4. LG&E's notice set out a balance adjustment of (1.73) cents per Mcf to return remaining over-collections from previous actual and balance adjustments.

5. These adjustments produce a gas supply cost component of 36.809 cents per 100 cubic feet or \$3.6809 per Mcf, 58.93 cents per Mcf less than the prior rate.

6. The rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after February 1, 1998.

7. LG&E filed with its notice a petition for confidential treatment of supplier information filed in Exhibit B-1, pages 5 and 6 of 6. Publication of such information is likely to cause competitive injury to LG&E. Its request should be granted.

IT IS THEREFORE ORDERED that:

1. The rate in the Appendix to this Order is fair, just, and reasonable and is effective for gas supplied on and after February 1, 1998.

2. Within 30 days of the date of this Order, LG&E shall file with this Commission its revised tariffs setting out the rates authorized in this Order.

3. LG&E's request for confidential treatment of Exhibit B-1, pages 5 and 6, is hereby approved.

Done at Frankfort, Kentucky, this 28th day of January, 1998.
